

DELIVERING THE POWER OF T CELLS TO CANCER PATIENTS

Immatic combines the discovery of true targets for cancer immunotherapies with the development of the right T cell receptors with the goal of enabling a robust and specific T cell response against these targets. This deep know-how is the foundation for our pipeline of Adoptive Cell Therapies and TCR Bispecifics as well as our partnerships with global leaders in the pharmaceutical industry. Operating from Tuebingen, Munich and Houston, we are committed to delivering the power of T cells and to unlocking new avenues for patients in their fight against cancer. We are currently seeking full- time a

Senior Financial Controller (all genders welcome)

to support our Finance team. You will work in Tübingen (Germany) in an interdisciplinary environment with colleagues from Tübingen, Munich and Houston (USA). Your analytical reasoning and action-oriented style as well as your organization and communication skills will contribute to the team's success. This is a permanent position.

Your main responsibilities will include but are not limited to the following tasks:

- Process budgeting and forecasting
- Measure, analyze, and forecast performance in conjunction with annual budget, quarterly forecasts, and prior year historical information
- Take on responsibility for internal reporting
- Develop sustainable internal reporting tools and maintaining existing reports and databases
- Understand budgeting, planning and operational data to develop standard and ad-hoc reports

Your profile

You hold a bachelor's degree in Accounting or related discipline, an MBA or master's degree is a plus. Ideally, you have worked 2-5 years as a Business or Financial Controller and have proven your excellent quantitative and analytical skills for creating insightful and actionable (ad-hoc) reporting and analysis. You are able to go beyond the numbers, determine the root cause of variances and consider the broad business implications. You have advanced Excel skills including financial modeling and experience with MS Dynamics or similar ERP and are familiar with MS Word/ PowerPoint. Your competence and experience and your excellent communication skills enable you to successfully contribute to foster effective working relationships.

We expect a high degree of independent working, analytical reasoning and excellent communication skills in English. You embrace rapidly changing requirements with an open mind, think outside the box and show a high degree of flexibility in an environment which is marked by a constant striving for excellence. You approach tasks in a structured, reliable and foresighted manner, combined with an elevated level of individual responsibility, enthusiasm and strong social and problem-solving skills.

What we offer

We are a committed and inspired team and cherish the collegial, highly motivated and family-friendly atmosphere within Immatics. Our culture allows for a high level of originality, independent thinking and initiative. We believe in supporting our employees' professional and social skills: We enable them to join conferences and trainings as well as to enjoy our Immatics benefits – e.g. job bike, job ticket, Health Programs, childcare benefits, relocation allowance, Company summer and winter events.

If you're interested in working for Immatics, please send us your application via e-mail to RecruitingGER@immatics.com. For more detailed information about Immatics and privacy protection visit www.immatics.com.
