

DELIVERING THE POWER OF T CELLS TO CANCER PATIENTS

Immatics combines the discovery of true targets for cancer immunotherapies with the development of the right T cell receptors with the goal of enabling a robust and specific T cell response against these targets. This deep know-how is the foundation for our pipeline of Adoptive Cell Therapies and TCR Bispecifics as well as our partnerships with global leaders in the pharmaceutical industry. Operating from Tuebingen, Munich and Houston, we are committed to delivering the power of T cells and to unlocking new avenues for patients in their fight against cancer. For more detailed information, visit www.immatics.com.

We are currently seeking part time a

Student Assistant R&D Communications (all genders welcome)

to support our R&D Communications team and the Translational Development & Project Management department. You will work in Tübingen (Germany).

Your main responsibilities will include but are not limited to the following tasks:

- Support the R&D Communications team in daily operations and specific projects
- Create and maintain content for corporate Company slides
- Design and maintain corporate graphics
- Assist review of R&D presentations in terms of corporate layout and formatting
- Manage archiving and documentation of scientific contents from the immuno-oncology field
- Support the team in various interdepartmental tasks including initiation and execution of new projects

Your profile

- You are studying biology, pharmacy, medicine, scientific communications, or a similar field. Insights into immunology and/ or oncology would be an advantage.
- You are highly skilled in MS PowerPoint and Excel; experience in using Adobe Illustrator is a plus.
- You are creative and interested in translating content into visually appealing graphics and layouts.
- You take accurate and precise work attitude for granted.
- You have excellent communication skills in English; German is a plus.

What we offer

We are a committed and inspired team and cherish the collegial, highly motivated and family-friendly atmosphere within Immatics. Our culture allows for a high level of originality, independent thinking and initiative.

If you're interested in working for Immatics, please send us your application via e-mail to RecruitingGER@immatics.com. For more detailed information about Immatics and privacy protection visit www.immatics.com.
